

*2022 Snake Island Nanaimo (SIN) Regatta
Nanaimo Yacht Club
July 1 – 3, 2022
Nanaimo BC, Canada*

**NOTICE OF RACE AMENDMENT # 1
PHRF, Multihull and Cruiser-Racer divisions**

1. NoR 2 – SAFETY REGULATIONS

Replace 2.2 with the contents:

2.2 **Multihulls:** *Safety Equipment Requirements (SERs) for Multihulls for the 2022 Swiftsure International Yacht Race* (<https://www.swiftsure.org/wp-content/uploads/2022/02/Multihull-Safety-Equipment-Requirements-for-the-2022-Swiftsure-International-Yacht-Race-final.pdf>) will apply to the Multihull Fleet.

Reasoning: The World Sailing Offshore Regulations Category 4 – Multihulls with Canadian Prescriptions is unsuitable for the multihull fleet without considerable editing. The multihull fleet consulted with the RVYC Swiftsure organization on a set of safety regulations that has been accepted and recommended for use by the fleet.

2. NoR 6 – SCHEDULE

Insert the following under “Friday July 1”:

1200 – 1400: Registration check-in at NYC clubhouse

Also, remove “Opti racing” from the 1700 – 2200 time span.

Reasoning: Martin 242 boats may now complete registration prior to the start of the scheduled practice race, if needed. Opti racing has regrettably been removed from the event program due to a lack of available space during the regatta weekend.
